KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fantastic visual descriptionsVon Rebecca WeisserLillis really ministered to me with her fantastic visual descriptions of the heavenly garden, and also backed it up with places in the Word of God, the Bible, which explained alot of what she saw. Will be a great help in praying in the Spirit.

KurzbeschreibungFor a year and a half, through a series of divine visitations and encounters, the Holy Spirit

transported the author into heaven, specifically into the heavenly garden. Just like Adam and Eve walked with God in the heavenly garden on earth, so too there awaits a celestial heavenly garden in heaven for believers! See exquisitely jeweled singing flowers, dancing waterfalls, and fountains that erupt in dazzling displays of light color and sound. Learn how our prayers on earth affect creation in the garden, and how the tears, laughter and intercession of Jesus impact heaven and our lives here on earth. Walk through the garden of swords, take a dip in the pool of forgiveness, and dance in fields of lovingkindness! Lillis Boyer, author, has walked with the Lord for nearly 50 years. She has ministered on the prophetic ministry team as well as prophecy teams at the International House of Prayer for ten years. She is a prophetic musician/singer, composer, artist, and frequently travels to third world nations to minister. She has been married for thirty seven years and resides in the Kansas City area.
