**Von Thailand Government : Chumphon (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Chumphon (English Edition):

Kurzbeschreibung Chumphon province is located in the most upper part of the southern region. It is known as the gateway to the southern border towns. The province is administratively divided into 8 Amphoes (districts): Mueang Chumphon, Lamae, Lang Suan, Pathio, Phato, Sawi, Tha Sae and Thung Tako. Chumphon has been able to maintain plenty of natural resources for tourism which have been untouched by the tourists and unspoiled by the time. Chumphon is an elongated province with 220 kilometers. of coastline offering many fine-sand beaches and attractive offshore islands. There are plenty of opportunities for sunbathing, swimming, yachting, paragliding, diving and snorkeling.
