Von Otto F. Crumroy Jr : Church Administration and Finance Manual: Resources for Leading the Local Church before purchasing it in order to gage whether or not it would be worth my time, and all praised Church Administration and Finance Manual: Resources for Leading the Local Church:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A great resource, with helpful sample forms and good advice.Von Ein KundeA huge timesaver for anyone involved in church administration, either as an ordained leader, member of a church's board/vestry, or church secretary/administrator. This book is accessible and clear, full of practical advice and very useful forms and policy "boilerplate." These forms save a lot of time and trouble, because you don't have to re-invent the wheel whenever you need a hiring policy or a church facility use agreement form. In addition, this work has a visible spiritual and scriptural core.While this book was

largely written by Methodists, as an Episcopalian I've found it very easy to adapt to my own church polity. It is used by my vestry and my seminary! I would definitely recommend that your church own a copy.
