A Must Book for Rebuilding a ChurchVon Ein KundeMany churches are struggling to find a way to reach the people of their community. This book reminds us that the focus should be on ministering to the broken. Doug provides practical advice on how to accomplish this. Our local church is in disarray and searching for a new pastor. I found this book to provide some practical insight as to the characteristics that we should strive for in rebuilding our church and selecting a pastor. It should be prayerfully read by every pastor and deacon. It describes the focus that the local church needs to be relevant to the 21st century.0 von 0 Kunden fanden die folgende Rezension hilfreich. A Book That Reminds You What Church is Supposed To Be LikeVon Ein KundeIn a down-to-earth and honest manner, Murren reminds us of the Church's purpose and call to those in need. His stories and personal experiences, when matched with biblical truths, are a genuine reminder of how churches should operate. This book not only initiated my own introspection into how I deal with others, but offered biblical direction into how I should deal with others. Overall a very valuable read.
