Synopsis For families planning a vacation to New York or native New York parents looking for fresh day-trip ideas, the "City Walks with Kids: New York" deck guides adults with children ages 5 and up through the best kid-friendly attractions the city has to offer. Each card outlines a self-guided walking adventure, with a detailed map on one side and insider information on the other. Noteworthy sites and attractions are numbered on both sides of the card for easy reference. Information on using public transportation and where to find kid-friendly food and recreation en route is also included.
