Inspirational! Von Olufunmilayo Akinmade I loved the take on this mini devotional. It is so easy for us to sometimes think that our christian walk is very different from the stories we read in the bible. David Ramos takes us on a short but worthwhile journey to see how Abraham's life is similar to ours and shows us how it can positively impact our lives.

KurzbeschreibungOver 50,000 Distributed!The Christian life requires an immense amount of faith. Often when frustrations and challenges arise, we are left wondering where God is. Thousands of years ago a man found himself in the same struggle. God had chosen Abraham for great things. But the man who would go on to become the Father of Nations had to first learn how to take the smallest steps of faith. How did Abraham become a character of legendary faith? And how can we learn from his example so that we can become the great men and women God has called us to be? Climbing with Abraham is a 30-day devotional which answers these questions. In this short book you will be challenged, inspired and taught how to become a faith giant! Start your journey today and take the climb with one of the greatest Biblical characters towards your purpose!
