**Von Georges-Hebert Germain : Cline: The Authorized Biography** before purchasing it in order to gage whether or not it would be worth my time, and all praised Cline: The Authorized Biography:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. very good bookVon Ein KundeThis book really has ALL informations about Cline Dion, it's a must for every true fan. After you have read this book, you know everything. There are also many photos. The only thing which isn't so good is that it's written in a little bit dry style.0 von 0 Kunden fanden die folgende Rezension hilfreich. Celine is a dream ...

as usual !Von Lacey Van ReethCeline Dion has definitely authorized the supreme biography on her life! Georges-Herbert Germain is an outstanding author who has captured the life and times of Celine Dion to date. I personally consider myself to be the or one of the biggest Celine Dion Fans ... or FANATICS in the world. Being a subscriber to many newsletters, listbot groups, and other things on the glorious Celine- I even found things in this book that I did not know. The glorious and at some points sad life of Celine Dion is vividly captured in these 422 pages of fascinating revolutions. I dream Celine all of the time ... but you can bet; it is even more dreamy now! In the Power of Celine - Lacey B. Van Reeth LaceLu1023@AOL.com0 von 0 Kunden fanden die folgende Rezension hilfreich. A must have book!Von Sharon LeBeauThis book is a must read if you are a true Celine fan. I consider myself one. This book tells what Celine did to realize her dream and made it come true. It really tells you what she is like in her personal life. She is a genuine and loving person and loves people. She really cares about what her fans think. And you can almost feel the love that she and Rene share! A wonderful book!

KurzbeschreibungThis authoritative biography tells the rags to riches story of a young girl from Charlemagne, Quebec, who became the #1-selling recording artist in the world.KurzbeschreibungThis authoritative biography tells the rags to riches story of a young girl from Charlemagne, Quebec, who became the #1-selling recording artist in the world.Synopsis Simply entitled Celine, this is the long-awaited, authorised biography of Celine Dion, the rags-to-riches story of a woman who has become the leading recording artist in the world. First published in French in Quebec in December 1997, Celine has sold in excess of 120,000 copies in Quebec alone. A French-language edition will be released in France this fall, to coincide with the release of a new French album. Celine Dion is one of the world's best-loved and best-selling recording artists; her singles and albums have topped the international charts for several years. Her awards include numerous Junos, Grammys, and World Music Awards. Her most recent album, Let's Talk About Love, has already sold over 25 million units world-wide since its release in November 1997. The song "My Heart Will Go On" from the box-office record-setting film Titanic is now the most frequently heard single in the history of American radio. Celine is the story of Celine Dion, her family, and her husband; it is the story of a child, with thirteen siblings, from a lower middle-class family, who grew up to achieve the status of pop icon and global diva. Along the way, she garnered the respect of some of the top people in the music industry, such as David Foster, Barbra Streisand, Luciano Pavarotti, and Sir George Martin. The author, Georges-Herbert Germain, travelled with Celine and her entourage for over a year. Germain is the author of a number of popular biographies, children's books, and books on Quebec history, including a biography of the renowned hockey player, Guy Lafleur. The book was translated into English by David Homel, who is an author and award-winning translator. Germain gives the reader the full story of how Rene Angelil became Celine's manager and, eventually, her husband. He also tells how Rene brought Celine to the status of pop icon in Quebec and then worked to help her achieve the same status on a global level. The competitive world of the contemporary music industry is revealed how the deals are put together, how the marketing machinery is motivated, and how songs come to be chosen and produced. Making it to the top demands talent certainly, but also overriding ambition, good luck, and marketing savvy. Celine is also a close-up of American popular culture, and the impact it has around the world.The book shows how a singing sensation becomes the guest of prime ministers, presidents, and sultans.
