favorite ending of them all! Kristen is the character in the CLIQUE series that I have always secretly rooted for, because she is more realistic than some of her friends. She wants so badly to have money, and works so hard to fit in with the group that has endless amounts of it. This book really made her character come to life, and I loved every page! Even though she's stuck at home, she still finds things to do. Hanging out with the hotties at the local skate park, filling pools with Jell-O, and tutoring (and torturing) a nine-year-old wannabe in math; all in the same summer! See how she does it in this fabulous summer read! Reviewed by: Taylor Rector

Kurzbeschreibung Kristen sets sail on the Love Boat... With the rest of the Pretty Committee scattered across the globe, Kristen is stuck in summer school at OCD, making good on her scholarship commitments. No sleepover horse camp, no Hawaiian spa, no Spanish vacation, not even a trip to Orlando. But when Kristen scores a job looking after hang-ten hottie Dune Baxter's eight-year-old sister, Ripple, Westchester suddenly doesn't seem so bad. It looks like Kristin is about to ride the wave of first love. . . . Kurzbeschreibung Kristen sets sail on the Love Boat...
