Von Kathy Veroni, Roanna Brazier : Coaching Fastpitch Softball Successfully (Coaching Successfully Series)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Coaching Fastpitch Softball Successfully (Coaching Successfully Series):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. A great source for any level coach. Von Ein Kunde I just recently purchased Kathy Veroni's book to help instruct my 10 year old in fastpitch. I was never taught the proper way to play myself, so I needed a guide. After just getting into it, I have decided to coach her team next year! Ms. Veroni cites some of her own experiences to "drive home" some of her points. She reviews coaching skills for different situations and has many drills and trouble shooting strategies for all age levels. There are photos to help define drills. The book is written very well and is easy to follow. If you need

drills, this is the book to have! Our current coaches have bought it and loved it too.1 von 1 Kunden fanden die folgende Rezension hilfreich. Best softball bookVon Joe AbrahamI've read most of the fast-pitch softball books on the market and this is by far the best. It is thorough, yet concise. It is equally useful for beginning coaches and advanced coaches. I especially like the Defensive Strategies chapter that details many game situations and defenses for those situations. This book also covers the gamut of coaching softball, from philosophy to organization to the game itself to post-season considerations.1 von 1 Kunden fanden die folgende Rezension hilfreich. Excellent source of information.Von Ein KundeThis is the most complete book for coaching fastpitch I have seen. The book is well laid out for easy reference. I purchased the book mainly to find ways to make practices funner and more effective but have found a wealth of information and ideas that will benefit our organization. If you can only by one book for coaching this is it!

KurzbeschreibungField a winning fastpitch softball team year after year with the knowledge and insights of a coaching legend! Coaching Fastpitch Softball Successfully provides the guidance and technical expertise you need in order to build and maintain a competitive team, covering every facet of leading a squad on the field and developing a program off of it.Pressestimmen""""If you are a youth coach just starting out or an accomplished collegiate coach, this book will help you improve every facet of your game. It provides excellent practice templates, breakdowns of technical positions, game strategies, conditioning programs, mental preparedness, and goal-setting strategies to assist you in building your program. It is by far the best softball book on the market!""""Sue Enquist Head coach of the UCLA Bruins, 11-time national champions """"Coaching Fastpitch Softball Successfully "provides an excellent blueprint for building a successful program. It covers coaching philosophies, training of individual skills, offensive and defensive strategies, and ongoing evaluation and assessment. Kathy Veroni's expertise as one of the greatest coaches in NCAA Division I softball, combined with Roanna Brazier's talent, yield this must-have resource for any dedicated coach.""""Gayle BlevinsUniversity of Iowa softball coach"KurzbeschreibungField a winning fastpitch softball team year after year with the knowledge and insights of a coaching legend! Coaching Fastpitch Softball Successfully provides the guidance and technical expertise you need in order to build and maintain a competitive team, covering every facet of leading a squad on the field and developing a program off of it.
