Von Douglas Waitley : Coasts, Glades, and Groves: 2 (Best Backroads of Florida) before purchasing it in order to gage whether or not it would be worth my time, and all praised Coasts, Glades, and Groves: 2 (Best Backroads of Florida):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fun!Von Kelly PrattWe recently used this terrific book in exploring some wonderful and little used roads in Pasco County. It's great to have direction to unique Florida locales that aren't centered around Disney World or the beach.

KurzbeschreibungIn this third of a three-part series, follow Douglas Waitley along the beaches and over the hills of

north Florida, watching rocket launches, meeting dolphins face to face, and trying your luck at the Worlds Luckiest Fishing Village along the way. This volume offers single-day tours to some of the most interesting and remote small towns along some of the most beautiful roads in the northern third of the state. Starting in Melbourne on Florida's Atlantic Coast, skirting Lake Okeechobee, delving into the Everglades, creeping up the Gulf Coast, and ending in Haines City in the heart of citrus country, this volume contains nine one-day romps through some of Florida's most interesting and remote small towns along some of the most beautiful roads in the northern third of the state.

Pressestimmen"Follow these well-planned day trips, and you'll not only glimpse a kinder, gentler Florida, you'll learn more than a little about its history."
