Von F. Paul Wilson : Cold City (The Early Years Trilogy Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cold City (The Early Years Trilogy Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Richtiger Repairman-Thriller mit einem noch sehr jungen JackVon fictionmasterDies ist der erste von drei Early-Repairman-Bchern. Jack ist inzwischen 21 Jahre alt. Er lebt allein und vollkommen von seiner Vergangenheit abgeschnitten in New York. Sein einziger Freund ist Abe Grossman, der dicke Inhaber eines Sportgeschfts (dass dies

blo Fassade fr einen geheimen Waffenladen ist, wei er noch nicht). Nachdem er seinen Job verloren hat, sieht sich Jack nach etwas Neuem um. Er schreckt dabei auch vor Schmuggelauftrgen nicht zurck und gert so in eine Reihe haarstrubender Situationen. In einer Kneipe namens The Spot freundet er sich langsam mit dem Inhaber Julio an und erlebt auch dadurch einige komplizierte Verwicklungen. Im Gegensatz zu den Young Repairman-Bchern (die eher fr ein jugendliches Publikum gedacht sind) haben wir es hier schon mit einem echten Repairman Jack-Roman (fr Erwachsene) zu tun, der bereits alle spteren Zutaten enthlt, auch wenn Jack hier noch ganz am Anfang seiner Karriere steht und noch vieles lernen muss. Leider werden die vielen Handlungsstrnge am Ende des Buches nicht alle aufgelst. Dafr gibt es dann Teil 2: Dark City.1 von 1 Kunden fanden die folgende Rezension hilfreich. Ein MUSS fr Jack-Fans! Von Oli Jacks erste Jahre in New York bilden ein schnes Bindeglied zwischen seinen Abenteuern als Jugendlicher und den Ereignissen ab "Die Gruft". Wie von F. Paul Wilson gewohnt, flieen viele Figuren aus der Vergangenheit mit ein, Andere erleben ihre Einfhrung. Schon das zu beobachten macht einfach spa, lesenswert sind die Geschichtan ja sowieso. Bleibt nur zu hoffen, da die beiden Folgebnde nicht all zu lang auf sich warten lassen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Jack is back ! Von Caracalla Ich gebe zu, ein richtiger Fan von Repairman Jack zu sein. Insofern war ich nicht glcklich, dass die Serie vor einigen Jahren in einem krachenden Finale ihr Ende fand... Umso besser, dass ich diese Trilogie (hier Band Nr. 1) gefunden habe, die Jacks erste Jahre in NYC erzhlen. Wir lernen darin, wie Jack seinen jdischen Freund und Waffenhndler Abe (besser) kennenlernt, auch seine erste Begegnung mit den mysterisen Mikulski-Brothers wird geschildert. Nicht fehlen darf natrlich auch Julio mit seiner Kneipe "The Spot", die in vielen der folgenden Geschichten den Ausgangspunkt der Handlung ist. Und nicht zuletzt luft Jack das erste Mal den finsternen Vertretern des "Ordens" ber den Weg, deren Ziel es ist, die Welt ins Chaos zu strzen. Hier bedienen sie sich islamischer Extremisten, die sich die Vernichtung des Erzfeindes USA auf die Fahnen geschrieben haben. Wie blich gibt es noch zahllose andere Handlungsstrnge, die Zerschlagung eines Kinderhndlerrings, ein Betrger, der Julios Schwester stalkt und nebenbei alte Damen ausnimmt, die Mafia, und, und, und.... die am Ende alle mehr oder weniger zusammenlaufen, ganz so, wie das der Jack-Fan gewhnt ist. Dass die Handlung im New York der frhen 90er spielt, ganz ohne Internet, Facebook und mit nur wenigen Mobiltelefonen, gibt dem ganzen einen ganz besonderen nostalgischen Reiz. Da spielt es fast keine Rolle, dass das oder besser: die Enden offen bleiben, schnell ist der 2. Band heruntergeladen und weiter geht es. Fr alle Repairman-Fans ein absolutes Muss !

Kurzbeschreibung COLD CITY kicks off The Early Years Trilogy. Its 1990. A twenty-one-year old named Jack has dropped out of college, leaving his old life behind to build a new one in NYC. This is pre-Disney Manhattan and the city still has lots of rough edges. He has connected with Abe but is unaware of his real business. He will soon meet Julio but doesn't own a gun yet. He runs afoul of some machete-wielding Dominicans, hires on as a driver for a smuggler, wanders into the East Side Marriott the night Rabbi Kahane is killed, starts a hot affair, winds up on the wrong side of some jihadist Arabs, and disrupts a ring smuggling pre-teen sex slaves. And that's just Book One. In Wilsons lively first in a projected trilogy of prequels to his Repairman Jack saga, Jack, newly arrived in Manhattan, begins honing the skills that will eventually make him a formidable urban mercenary who operates off the grid. Jacks talent for finding trouble is already well developed, as becomes clear when his job smuggling cigarettes runs him afoul of Arab jihadists, the mob, and a ring of sex slavers. Wilson expertly evokes Manhattan in all its gritty glory in the early 90s and introduces series regulars Abe Grossman, Jacks gunrunner and surrogate father, and Julio, the hard-working barkeep at Jacks preferred watering hole, the Spot this valentine to Jacks legion of fans still packs a wallop that whets the appetite for his next early adventure. (Publishers Weekly) If fans want to know how Repairman Jack became the champion of the victimized, theyve got to pick up Cold City. Its a one-night read that will keep the lights burning. Gritty, harsh and often funny, it takes readers back to Jacks early days, tosses him in with colorful characters and lets readers see his basic decency even as he breaks the law. (RT Booklovers Magazine a November Top Pick) This is, oddly enough, perhaps an ideal jumping-on point for prospective readers, and I don't say that lightly. This is a character who's been around for quite awhile, with many books in his wake; however, this is a look at who he is and how he becomes the guy we know from the Adversary Cycle. You could easily go further back and read the Young Jack tales (all of them well worth reading), but if you want to see Jack as a young man, growing into the legend he'll become, this is a good place to begin. Fans of Wilson's will be delighted, and readers who want a good, solid noirish tale will be delighted as well. Wilson is a fantastic storyteller; this book may be the beginning of a swan song for the character Repairman Jack, but he's certainly going out on a high note. Highly recommended.

(SFRevu) Pressestimmen Wilson expertly evokes Manhattan in all its gritty glory in the early '90s . . . this valentine to Jack's legion of fans still packs a wallop that whets the appetite for his next early adventure. Publishers Weekly Fans of Wilson's, as always, will be delighted, and readers who want a good, solid noirish tale will be delighted as well. Wilson is a fantastic storyteller; this book may be the beginning of a swan song for the character Repairman Jack, but he's certainly going out on a high note. Highly recommended. SFRevu If fans want to know how Repairman Jack became the champion of the victimized, they've got to pick up Cold City. Its a one-night read that will keep the lights

burning. Gritty, harsh and often funny, it takes readers back to Jack's early days, tosses him in with colorful characters and lets readers see his basic decency even as he breaks the law. RT Book s, 4 stars, Top Pick! Repairman Jack is one of the most original and intriguing characters to arise out of contemporary fiction in ages. His adventures are hugely entertaining. Dean Koontz, bestselling author of *Relentless*, on the Repairman Jack series Jack stand[s] out from the supernatural pack.... The books are about an ordinary guy doing whatever it takes to protect the innocent, and that's a story that always has resonance. Chicago Sun-Times on the Repairman Jack series The Tomb is one of the best all-out adventure stories I've read in years. Stephen King, bestselling author of *The Shining* and President of the Repairman Jack fan club Repairman Jack is one of the greatest fictional characters created by any thriller writer in the past half century. If you haven't discovered him and his world yet, what a fabulous, extraordinary, and electric reading experience awaits you. Douglas Preston, cocreator of the Pendergast novels, on the Repairman Jack series Kurzbeschreibung COLD CITY kicks off The Early Years Trilogy. Its 1990.
