The best Lithuanian language course currently availableVon Ein KundeThis is the best guide (book plus tape) currently available for learning Lithuanian. My brother, who studied at Vilno Universiteto in 1994 - 1995 strongly recommended it to me, and wished he had had it available then. I had previously tried to learn using the Easy Way to Lithuanian book and tapes, and found this much better.Of course, learning Lithuanian without living there or with a Lithuanian family member is basically impossible, but such is life.Su Diev!1 von 2 Kunden fanden die folgende Rezension hilfreich.
