read book for all Christians
Von Chris
This book is easy to read and is excellent because it uses Scripture to show believers that we need to repent of the ongoing sins we are caught up in on a daily basis during these end times, in order that we may inherit eternal life when we die (or when Jesus returns). So many church leaders preach that grace is all that is necessary to 'guarantee' our salvation. Yes, grace, and belief in Jesus Christ, is essential. But the author uses many Scriptures - particularly the words of Jesus Himself - to show that hell is the eternal destination for unbelievers and also for those who profess to believe, but who do not obey God's Word and confess and repent of (turn away from) their ongoing sins. Friends of mine who have read this book are already recommending it to others. One did so as he was preaching from the pulpit! I have been so helped by this book that I refer to some of the many Scriptures quoted on a daily basis. Thank you God for the author's clarity, and her courage in writing this 'wake-up call' to the Church.

Kurzbeschreibung
Are You Awake?
Believers around the world are being deceived. Many walk in unrepentant sin, lulled into a misguided sense of security by false doctrine. It is time for the church to take a stand and preach the truth: Jesus is coming soon, and His bride, the church, must be free from sin when He returns.
In Come On Church! Wake Up! author Michele Neal shares the God-inspired message that drove her to action. She calls believers to wake from their state of complacency, repent, and begin to serve God wholeheartedly before it is too late. Time is short! We must open our eyes and change our attitude toward sin. Come On Church! Wake Up! will stir you to action, encouraging you to reconsider what it means to be a true follower of Christ on the path to heaven.
