KurzbeschreibungLike all of John Vorhaus's books on writing (The Comic Toolbox, Creativity Rules; that list goes on), Comedy Writing 4 Life makes the creative process easy, fun and accessible to absolutely everyone. Whether you're into stand-up, sketch or improv, situation comedies or comic screenplays, cartoons, video, blogging, whatever, you're going to find so much value in this slim volume that your head will literally explode. Literally. Pieces of it will be found for miles around. You'll learn the fundamental secret of comedy (no secret; comedy is cruelty), how to use filters to create comic characters, simple storytelling shortcuts, and just tons more. With pithy advice like, "Fail big!" and plenty of entertaining exercises that you can do as you go, CW4L presents a simple, effective guide to success in comedy writing and beyond. If you're serious about being frivolous, this little book will change your comedy writing for life.
