bring good things out of our most difficult trial. Von Ein Kunde This small and easy to read book helps the person who is going through a tough time understand that even then God's love and mercy shine through. It is a book that will help the christian find peace in the midst of difficulty and trials. It offers a unique perspective and wonderful insights into how God works to purify his children -sometimes this process may be painful. Ultimately, God loves us and his blessing will be ours if we always learn to delight in the Lord. I read the book recently when I was going through a personally trying time and it gave me the perspective I need it to be able to sleep at night and to chart ahead when I actually felt without hope.

Kurzbeschreibung In the midst of a trial, it is often difficult to see any purpose to our suffering. Comfort for Troubled Christians will help people understand that God never leaves us nor forsakes us, especially in the dark times. The comforting scriptural encouragement in this book explains God's part and purpose in testing and offers a pattern for success to all Christians who are "passing through fire." This book has already sold two million copies as a booklet and is now available in a more attractive, easier-to-read format.
