Down To Earth and Inspiring!!!! Von Ein Kunde She has done it again! Reba's talents are non-stop but most of all her energy, her enthusiasm, dedication, and family orientation makes what she does so inspiring. This is shown not only in her music but also in how she is able to write down from memory what her past and present life was/is like. She did a ravishing job "piecing" together the memories of living life through family, friends, and music. Comfort From a Country Quilt is written in a way that speaks to the readers and inspires them. Her use of "country-style" words and phrases in the stories she tells literally makes the book warm, down-to-earth, and original. From the different autobiographies I have read Comfort From a Country Quilt is and always will be the best written because Reba writes in a "free-style" way. Reba skips the big terminology and tells her stories as if you were actually having a "back porch conversation" with her. Not to mention, having the audio version of Comfort From a Country Quilt, where Reba reads her own writing, gives the book that finishing touch. Reba has that voice that brings animation and character to the stories she tells. I recommend this book for everyone to read and get a touch of what life is filled with; you are here inspiring and being inspired through what you encounter through family, friends, and inspirations like Reba. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Comfort From a Country Quilt is a real conversation w/Reba Von Ein Kunde Comfort From a Country is truly a back porch conversation with Reba McEntire. If you've ever wondered what it would be like to talk to Reba for a couple of hours, this is as close as you get. Reba's writing style, although, rough around the edges, is very down home and comforting. In a time when most celebrities are writing books with LOTS and LOTS of help from other writers, it's good too see Reba writing on her own, writing from the heart, and writing for her fans. This is not an autobiography, but you do get a glimpse into Reba's family life. If you liked "My Story", you'll love "Comfort From a Country Quilt". 0 von 0 Kunden fanden die folgende Rezension hilfreich. disappointed Von Ein Kunde This is the first book by Reba McEntire that I have read. She is my very favorite vocal artist! However I felt 'country quilt' was very amateurist and with the !! at almost!! every sentence!! , I felt it demonstrated a dominant EGO!!! Some parts of the message were worthwhile even though most were already common knowledge certainly not original. (Maybe the therapy was getting them into print.) Most of us live these every day and don't see anything extraordinary about them. I think reba needs to stick to her day job and leave the professional writing to others.

Kurzbeschreibung The New York Times Bestseller That Reads Like a Back-Porch Conversation with Reba! In a dazzling career, Reba McEntire has become a true country superstar--and a trailblazing businesswoman with her own multimedia entertainment corporation. Yet she is a rare celebrity who is also beloved by her millions of fans for the way she lives her life. For Reba has balanced the demands of career and family, succeeded in show business without sacrificing her values, and kept up with the times without abandoning her country roots. Here Reba writes about the roles a modern woman tries to fill, roles as many and varied as the fabric pieces of an heirloom quilt. Facing the challenges of being a wife, mother, stepmother, daughter, sister, performer, executive, community member, and Christian, Reba has found inspiration and comfort in the values of her past as an Oklahoma ranch girl. In this generous and wise book, she shows how you can keep traditional values fresh and vital in your own search for a fulfilling life. Whether you read it for instant warmth or lasting inspiration, Comfort from a Country Quilt is a book that will make your spirits soar like the sweet high notes of a Reba McEntire song. de Through down-home storytelling, Reba McEntire offers her fans a glimpse into her personal life, as well as a healthy dose of traditional, God-lovin' values. Like a quilt, McEntire's book of country comfort is stitched from real-life material--little scraps of wisdom that miraculously piece together into a heartfelt mosaic. Right from the start McEntire establishes herself as a "modern country woman," able to explore a spider's web with her son as deftly as she can explore the World Wide Web. Herein lies the strength of McEntire's writing, her ability to apply the old, country traditions to the more contemporary values that her readers are likely to identify with. Chapter titles such as "Tougher Than You Think," "A Mama's Way," and "Let a Smile be Your Umbrella ... but Don't Forget Your Raincoat" all allude to the grit and honey texture of this loving book of back porch inspiration. --Gail Hudson Kurzbeschreibung The New York Times Bestseller That Reads Like a Back-Porch Conversation with Reba!
