Von Kimberly Rae Miller : Coming Clean: A Memoir before purchasing it in order to gage whether or not it would be worth my time, and all praised Coming Clean: A Memoir:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Super interestingVon emacWell worth the read...a quick memoir of fascinating experiences with hoarding and separating this

addiction from the person. You probably could finish this in a day or two.

Kurzbeschreibung Kimberly Rae Miller is an immaculately put-together woman with a great career, a loving boyfriend, and a beautifully tidy apartment in Brooklyn. You would never guess that behind the closed doors of her family's idyllic Long Island house hid teetering stacks of aging newspaper, broken computers, and boxes upon boxes of unused junk festering in every room—the product of her father's painful and unending struggle with hoarding. In this dazzling memoir, Miller brings to life her experience growing up in a rat-infested home, hiding her father's shameful secret from friends for years, and the emotional burden that ultimately led to her suicide attempt. In beautiful prose, Miller sheds light on her complicated yet loving relationship with her parents, which has thrived in spite of the odds. *Coming Clean* is a story about recognizing where you come from and understanding the relationships that define you. It is also a powerful story of recovery and redemption. **Pressestimmen** Reality shows typically stay with hoarders only long enough to portray them as objects of pity or ridicule, but Miller's story, *Coming Clean*, offers a uniquely nuanced look at her intelligent, loving, but broken father and the enduring effect his affliction has had on her and her long-suffering mother." *Entertainment Weekly*
