Von Doris Grumbach : Coming into the End Zone: A Memoir (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Coming into the End Zone: A Memoir (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A Memoir not to be missed!Von Ein KundeAlthough I had heard of Doris Grumbach before, I had never read any of her works so I was interested to find out about her.This is one of the most engrossing and thoughtful books I have read and

I look forward to reading more of her work. I particularly appreciated the details of books she had read and enjoyed. After I had finished this book I reread several parts of it—the quality of writing is so good that you just don't want to leave it. This is one book that I'll keep to read again.

Kurzbeschreibung A New York Times Notable Book: One woman's search for the value of a long life With the advent of her seventieth birthday, many changes have beset Doris Grumbach: the rapidly accelerating speed of the world around her, the premature deaths of her younger friends, her own increasing infirmities, and her move from cosmopolitan Washington, DC, to the calm of the Maine coast. *Coming into the End Zone* is an account of everything Grumbach observes over the course of a year. Astute observations and vivid memories of quotidian events pepper her story, which surprises even her with its fullness and vigor. *Coming into the End Zone* captures the days of a woman entering a new stage of life with humanity and abiding hope.
