KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Eine schne SammlungVon Prof. Dr. Alfons SchrerBei dem Preis kann man wirklich nichts mehr falsch machen. Ich habe einige Hrbcher von Oscar Wilde und nutze die Sammlung als Ergnzung. Das macht mir viel Vergngen.9 von 9 Kunden fanden die folgende Rezension hilfreich. Great read, great fly-swat!Von Ein KundeWhoa! I was totally unfamiliar with the works of Oscar Wilde, until I bought this one on a friend's recommendation. It's huuuuuge, yet incredibly beautiful. Dorian Gray must be one of the greatest stories ever told, his poems are razor-sharp, his letters not less, and every line he comes up with is quotable. If you want to make sure you don't miss a thing, this is the book to get (and try his biography, especially the part about the trial).3 von 3 Kunden fanden die folgende Rezension hilfreich. Gute SammlungVon J\_HoeIn diesem Buch sind wirklich alle wichtigen und auch einige recht unbekannte Werke von Oscar Wilde vereint - fr einen unschlagbaren Preis.Natrlich ist es kein handliches Taschenbuch fr unterwegs, aber fr gemtliche Abende auf der Couch perfekt.

KurzbeschreibungComplete Works Of Oscar Wilde by Oscar WildeHow is this book unique? Illustrations IncludedFree AudiobookOscar Wilde (16 October 1854 30 November 1900) was an Irish playwright, novelist, essayist, and poet. After writing in different forms throughout the 1880s, he became one of London's most popular playwrights in the early 1890s. He is remembered for his epigrams, his novel *The Picture of Dorian Gray*, his plays, as well as the circumstances of his imprisonment and early death. Wilde's parents were successful Anglo-Irish Dublin intellectuals. Their son became fluent in French and German early in life. At university, Wilde read Greats; he proved himself to be an outstanding classicist, first at Dublin, then at Oxford. He became known for his involvement in the rising philosophy of aestheticism, led by two of his tutors, Walter Pater and John Ruskin. After university, Wilde moved to London into fashionable cultural and social circles. As a spokesman for aestheticism, he tried his hand at various literary activities: he published a book of poems, lectured in the United States and Canada on the new "English Renaissance in Art", and then returned to London where he worked prolifically as a journalist. Known for his biting wit, flamboyant dress and glittering conversation, Wilde became one of the best-known personalities of his day.From Library JournalCollins is perhaps the single best edition of Wilde's complete works. Along with the author's full canon of plays, poems, essays, and novels, this also contains numerous appendixes of biographical information and chronologies of Wilde's work as well as examples of his famous one-liners divided into categories. This Centenary Edition was edited by his grandson Merlin, who made revisions to the text. (See also son Vyvyan Holland's autobiography, above.) Copyright 1999 Reed Business Information, Inc.PressestimmenThe editorial apparatus is meticulous and exhaustive ... As ancillary evidence for Wilde's later importance as a major cultural phenomenon, they [the poems] will reward more serious attention from scholars than they have previously received, and to that end this edition will deservedly become a standard work \* of English Studies \* The appearance of this first volume in the new Oxford series of Wilde's complete works is a significant event for all students of the writer. For the first time, all Wilde's known surviving poems are collected together, including twenty-one which were not published during his lifetime \* of English Studies \*
