**Von Alexander Heilmann : COSTA BLANCA Walking Guide Spain: Hiking through the most beautiful scenery in the hinterland of the Costa Blanca (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised COSTA BLANCA Walking Guide Spain: Hiking through the most beautiful scenery in the hinterland of the Costa Blanca (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fantastic Walking RoutesVon BuchhalterThe walking routes chosen for this book are really fantastic. Accesess and routes are

exactly described. I had no problems to find the ways. Moreover, I totally agree with the restaurant recommendations of Alexander Heilmann!

KurzbeschreibungThe walks described in this guide are predominantly easy and to master within 2 to 3 hours. The selected walks lead to areas with marvellous views. Many pictures give moreover good clues.Walk ways and accesses to the starts are described precisely. To every walk there are restaurant recommendations. Regardless of the wanderings the book contains, in addition, a ranking of 30 good restaurants in the hinterland of the Costa Blanca with a description of the access ways.Attached historical descriptions are held in italic writing. Therefore they do not mix with the route descriptions.Current changes to the individual routes, which are not included in the corresponding book editions, can be found on the author's website:<https://alexander-heilmann.jimdo.com/>Do not buy this eBook -- if you expect perfect English. This walking guide is a translation of the German edition.If a guide of the most spectacular walks for you is more important than perfect English download this walking guide. You will not be disappointed.(Before downloading check your interest by a "look inside the book!")KurzbeschreibungThe walks described in this guide are predominantly easy and to master within 2 to 3 hours.
