Von Linda Metcalf : Counseling Toward Solutions: A Practical Solution-Focused Program for Working with Students, Teachers, and Parents before purchasing it in order to gauge whether or not it would be worth my time, and all praised Counseling Toward Solutions: A Practical Solution-Focused Program for Working with Students, Teachers, and Parents:

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Powerful strategies for counseling in the school environment Von Ann Terrill-Torrez Ms. Metcalf's strategies for applying solution-focused approaches with students, faculty, parents and administrators create a powerful vision for changing the fabric of school culture through utilizing the strengths and successes already present and happening every day in every school. I found this book a refreshing and thought provoking alternative to hiring expensive consultants

to fix our schools. Second - order change at its best!0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr inspirierendVon equanimityDas Buch ist absolut empfehlenswert. Durch das Buch schwingt die positive Grundeinstellung Metcalfs, aber auch ihre systemische Perspektive. Gerade für Berater/Schulpsychologen ist diese Sichtweise von großer Bedeutung. Daneben ist es auch eine schöne Einführung in die lösungsorientierte Beratung mit vielen Fallbeispielen aus dem Kontext Schule-Lehrer-Familie.0 von 0 Kunden fanden die folgende Rezension hilfreich. A clearly-written, useful book for School CounselorsVon Ein KundeThis book is a practical resource for School Counselors. It presents the Solution-Focused Brief Therapy approach, along with providing forms that can be reproduced to integrate into your school counseling programs. Some parts are a bit repetitive, but it's an easy read that has real applications for School Counselors. Very handy!

KurzbeschreibungWhen it was first published in 1995, Linda Metcalfs book Counseling Toward Solutions became an instant bestseller. Written for counselors and teachers at all levels, this revised and updated second edition of Counseling Toward Solutions presents a positive program for changing individual behavior that empowers students of all ages to deal with their own problems, gaining self-esteem in the process.**Kurzbeschreibung**When it was first published in 1995, Linda Metcalfs book Counseling Toward Solutions became an instant bestseller. Written for counselors and teachers at all levels, this revised and updated second edition of Counseling Toward Solutions presents a positive program for changing individual behavior that empowers students of all ages to deal with their own problems, gaining self-esteem in the process.**Synopsis** Step by step, Counseling Toward Solutions shows how to help individual students begin their own change process by noticing when a problem does not occur rather than focusing on the problem or what caused it. This approach- called Solution-Focused Brief Therapy- is often used by private counselors and therapists and is now being applied in the schools with great success.
