**Von Ted Naifeh : Courtney Crumrin and The Night Things Vol. 1: Special Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Courtney Crumrin and The Night Things Vol. 1: Special Edition:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.  
KlasseVon Christian MetzgerIch habe mir den vierten Teil zufällig in der Bibliothek geliehen. Die Geschichten sind doch recht ernst aber ein zynisches Herz kann gut drüber lachen. Dem Titel zufolge logisch auf Englisch, Sprache ist aber nicht zu hoch gestochen. Mit Basiskenntniss im Englischen locker flockig lesbar.Zeichnungen sind auch top, sehr

zu empfehlen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Only the nose.Von KundeVery wel written and drawn book. Also a nice book to hold. Just wish the artist would draw the main character with a nose.

KurzbeschreibungFan-favorite and critical darling Courtney Crumrin is back in a series of newly remastered, full-color editions! Courtney's parents have dragged her out to a high-to-do suburb to live with her creepy Great Uncle Aloysius in his spooky old house. She's not only the new kid in school, but also discovers strange things lurking under her bed!PressestimmenPUBLISHERS WEEKLY -- Those mostly familiar with Naifeh's work on Holly Black's Good Neighbors trilogy will find Courtney Crumrin's first adventures revelatory of what he's capable of on his own. In this opening story, middle-schooler Courtney moves into the house of her creepy great-uncle Aloysius and finds more to occupy her time than constant disdain for her upwardly mobile and downwardly aware parents. Her new life includes the monsters--real monsters--that lurk in the woods, as well as another kind in her new school: a gang of elitist bullies who have no idea of the supernatural underbelly that surrounds them. Courtney soon discovers that the worlds of monsters and humans interact more than anyone imagines, and both interest and duty demand that she dabble with her uncle's dark arts to combat the evils. It's a chance for the mismatched relatives to bond and provides the sweet center of Naifeh's dark comedy. In the end, Courtney's a highly relatable heroine for younger readers. Ages 12-up.
