Einfach wunderschnVon CustomerKen Smith hat mich immer wunderbar unterhalten mit seinen Geschichten. Cowboys Can Fly hat mich nicht nur unterhalten, es hat mich zutiefst berhrt, mich erinnert an Gefhle, Trume, Hoffnung. Flssig geschrieben, voller Poesie: Eine wunderschne Geschichte.2 von 2 Kunden fanden die folgende Rezension hilfreich.

Cowboys Can Fly Von Hans-Ulrich Buehler This is a charming little story about two boys, making each other happy for a certain time. Sometimes funny and very sad in the end. I really enjoyed it.

Kurzbeschreibung Young Toby spends his days exploring the backwoods surrounding his UK country home. His imagination not only supplies adventure but also the exciting promise of lustful embraces and kisses with the handsome field hand. When Toby's mother, a nurse, brings home a sickly yet handsome youth, Cymon, to recuperate, Toby finds himself drawn to the older boy. Their friendship, awkward at first, blossoms as each offers the other much-needed comfort. Cowboys Can Fly presents a classic story of gay adolescence, one that is as heartbreaking as it is triumphant in spirit. Woods and boys were born to be together; born to share each others unquestionable beauty. A woods is that special place where a boys quest to be spiritually free is born, a place of magic and mystery, a wonderful place to fall in love. --Ken Smith
