book is essential Von Pattybaby If you are thinking about learning a bit about Liberian English this is THE book for you. It is easy to read and very useful if you want get around in Liberia. Liberian English is a language of its own and very different from the Standard English that we are used to speaking. I use it for teaching and it really helps students to grasp the language. There are many anecdotes and a glossary of Liberian words and that makes your stay in Liberia much easier because you can check for words that you usually don't come across in the normal English language. Thank you John Mark Sheppard for this comprehensive study of the Liberian language. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Must have for Liberian Travellers!
