Von Ralph Fletcher, JoAnn Portalupi, Martha Drury, Cathy Hawkes, Philippa Stratton, Martha Drury/Cathy Hawkes : Craft Lessons 2nd Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Craft Lessons 2nd Edition:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Great for teaching WritingVon DarceeThis is one of the best books I've seen for helping teach students to be better writers. It gives short minilessons that can give ideas and teach writing techniques with examples. I love it. I wouldn't teach writing without it

Kurzbeschreibung Since its publication in 1998 *Craft Lessons* has become a mainstay of writing teachers, both new and experienced. Readers value the pithy, practical lessons each printed on one page and appreciate the instructional language geared to three grade-level groupings: K2, 34, and 58. In the decade since *Craft Lessons*' publication the world has changed in many ways, yet one thing has remained constant: teachers continue to feel starved for time. With new curriculum mandates, daily specials, pull-outs, and precious time devoted to test preparation, the situation has never been worse, and the need for a succinct resource like *Craft Lessons* has never been greater. The features that made *Craft Lessons* so valuable have been augmented. This edition includes: Seventeen brand new craft lessons; many based on veteran teachers' observations about typical student writing. Revisions to other craft lessons: model texts that have gone out of print have been replaced with current titles, and the resource materials sections have been expanded. New thinking about teaching elements of craft and the reading-writing connection. Two new indexes: a handy subject index to make it easier to find specific craft lessons, and an index that shows how these craft lessons can be integrated into Ralph and JoAnn's curriculum resource on the qualities of writing Ideas, Design, Language, and Presentation. The 95 lessons in this book provide a wealth of information for teaching leads, character, endings, stronger verbs, and much more. This new edition reestablishes *Craft Lessons* as the crucial desert island book for harried writing teachers everywhere.

Pressestimmen ""*Craft Lessons*" continues to be an impressive collection of strongly recommended and thoroughly user-friendly curriculum resource material." - "Midwest Book ""An essential resource to our work with young writers," - Teacher Learners Network"*Craft Lessons* continues to be an impressive collection of strongly recommended and thoroughly user-friendly curriculum resource material." - Midwest Book
