Von Ted Michael : Crash Test Love before purchasing it in order to gage whether or not it would be worth my time, and all praised Crash Test Love:

KurzbeschreibungThe last thing Henry Arlington wants is a girlfriend. He's just very, very good with girlsreading their body language, knowing what they want to hear, and more importantly: getting them into the backseat of his car. But all that changes when he meets Garrett Lennox at one of the many Sweet Sixteen parties he crashes.Garrett thinks she's done with guys. She was dumped by her ex when she moved from Chicago to Long Island, and now she realizes that she needs to find out who she is by herself, instead of with a boyfriend. What she really needs is some good friends.Fortunately for Garrett, the J Squadthe "it" girls of East Shore High Schoolwant her in their clique. All she has to do is pass one little test: get East Shore god Henry Arlington to take her to one of the biggest Sweet Sixteens of the year, then dump him in front of everyone.Garrett has promised herself not to fall for another guy, so playing with Henry's heart shouldn't be hard. Right?And Henry doesn't fall for girls, so when he and Garrett start to click, it doesn't matter. Does it?As William Shakespeare once said, "Love is blind," or in this case, the lovers may be, as Henry and Garrett fall in loveand into the trap that awaits them. Because neither of them can even begin to see what the girls of Henry Arlington's past have in store.This hilarious, sharp, and surprisingly thoughtful novel is the teen Wedding Crashers, filled with love, hope, laughs, and surprising insights about the terrifying process of falling in love.From the Trade Paperback edition.Pressestimmen"Ted Michael has found a totally unique (and irresistible) teen novel formula with his new book -- think Wedding Crashers meets John Tucker Must Die.
