Von Ronald W. Richardson : Creating a Healthier Church: Family Systems Theory, Leadership and Congregational Life (Creative Pastoral Care and Counseling Series) before purchasing it in order to gage whether

or not it would be worth my time, and all praised *Creating a Healthier Church: Family Systems Theory, Leadership and Congregational Life* (Creative Pastoral Care and Counseling Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. *Family Systems Primer for Ordained and Lay* Von Randall DayRichardson has applied family systems ideas to churches in an accessible way. This book is great for those who do not have time or money for a conference. It is an especially helpful book for introducing these concepts to laity -- perhaps in places in which clergy are involved in ongoing systems work. All can speak the same "language" and have at least an introduction to the approaches of this insightful understanding of life and leadership in congregations.0 von 0 Kunden fanden die folgende Rezension hilfreich. A good start to systems Von Israel GalindoRichardson's book is one of the better introductions on the application of Bowen Family Systems Theory to congregational life. Well-written, it is thorough and substantive. A good first choice for those needing a solid introduction to systems theory--though it's probably NOT a good substitute for a good conference, workshop, or on-going group work on systems.

KurzbeschreibungRonald W. Richardson helps us to understand how congregations function emotionally. Without being simplistic, he gives clear directions on how to improve their quality of life together and function more effectively in achieving mission goals. This book offers:A theory about human behavior that will aid understanding of how things can get out of control in the human community of the church; A practical set of leadership ideas and behaviors; Guidelines for how to behave in the midst of upsetting and conflictual circumstances; Personal steps that leaders in the church can take to become more positive forces for healing and cooperation.KurzbeschreibungRonald W.
