Von Sterling Edwards : Creating Luminous Watercolor Landscapes before purchasing it in order to gauge whether or not it would be worth my time, and all praised Creating Luminous Watercolor Landscapes:

Kundenrezensionen Hilfreichste Kundenrezensionen 2 von 2 Kunden fanden die folgende Rezension hilfreich. Wunderbare Anleitung - Malen kinderleicht Von OmiBDies ist eine berragende Hilfe für Englisch sprechende Anfänger der Aquarellmalerei. Alles ist ausführlich und verständlich beschrieben. Ich empfehle das Buch mit DVD als Begleitung jedem, der nicht nur Spaß sondern auch Erfolg bei so einer kreativen Beschäftigung finden möchte. Allerdings muss man in der englischen Sprache sehr bewandt sein, um das Buch und besonders die Audio-visuelle Anleitung verstehen zu können

KurzbeschreibungHow to paint your world in watercolorand have fun doing it! The day Sterling Edwards watched an artist paint an entire sky with three deft brushstrokes was the day he committed to trading his tiny oil brushes and photorealistic style in favor of big, bold strokes of watercolor. In the years since, he's developed not only a wonderfully fresh, luminous painting style, but also an approach that takes the intimidation out of this beautiful but often-mystifying medium. In this book, he shares both. Initial chapters lay the foundation for successful paintings, from choosing the right brushes to achieving vibrant colors, interesting textures and strong compositions. Step-by-step demonstrations illustrate techniques for painting rocks, skies, trees, foliage, buildings, water and other landscape elements. An easy-to-follow, four-step painting process makes for easier starts and stronger finishes, complete with rich darks and sparkling highlights. Eight complete painting projects cover a range of breathtaking scenes and seasons. Whether you're dipping into the medium for the first time or you're a watercolor devotee on a quest for clearer color and more personal statements, this book will help you make the most of the time you spend with brush in hand.
