**Von Natalie Dybisz : Creative Portrait Photography: Innovative Digital Portraiture to Reveal the Inner Subject (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Creative Portrait Photography: Innovative Digital Portraiture to Reveal the Inner Subject (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich.  
markVon MarkNot what I was expected, however its a good book for ideas generating, well presented and I do like the most of the photographs contained in the book. Its a little off the wall in places, but then I suppose I am a traditionalist, but on the whole a well-made, decent book that is a good book to have on any photographers shelf..

KurzbeschreibungThe very best portrait photography strives to give the viewer access into their subjects inner self; to provide a window into their soul. With the advent of the digital age and the potential afforded by post-processing, a whole generation of photographic artists has access to greater creative possibilities than ever before.Spearheading this

new breed of creative photographer is author Natalie Dybisz, better known in the photographic community as Miss Aniela. Devoted to exploring portraiture at its most creative portraits with context, story, and constructed elements Creative Portrait Photography takes the reader on a behind-the-scenes journey through the creation of Natalie Dybisz's innovative digital portraits, from first concept to post-processing. Also featuring an extensive showcase chapter in which other photographer-artists work and working methods are laid bare, Creative Portrait Photography has everything you need to inspire you and transform your perspective on portrait photography.
