Von Gardner Fox : Crisis on Multiple Earths Vol. 1 (Justice League of America (1960-1987)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Crisis on Multiple Earths Vol. 1 (Justice League of America (1960-1987)):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Das

Multiversum wchst... Von schlimmerdurst In diesem Band wird die Idee des Multiversums, die in "Crisis on Multiple Earths - The Team Ups Vol. 1" begonnen hat, weiter ausgearbeitet. Die JLA von Earth-1 und die JSA von Earth-2 arbeiten mehr und mehr zusammen, und dann kommen pltzlich die Bsewichte von Earth-3 dazu... Stellenweise recht unterhaltsam, meist aber genauso formelhaft und repetitiv wie die anderen JLA-Titel aus dieser Zeit. Als Vorbereitung auf "Crisis on Infinite Earths" aber unerlsslich.

Kurzbeschreibung The perfect companion piece to the CRISIS ON INFINITE EARTHS and HISTORY OF THE DC UNIVERSE trade paperbacks, this book features the classic tales of interaction between the heroes of Earth-One and Earth-Two. Existing in two different realities, the heroes of the Justice League team up with their predecessors the Justice Society of America in order to save both their worlds. Featuring different incarnations of Batman, Superman, the Flash and many other classic heroes. Collects JUSTICE LEAGUE OF AMERICA #21-22, #29-30, #37-38, and #46-47.. de As background for its multi-part epic Crisis on Infinite Earths, DC Comics released Crisis on Multiple Earths to introduce (or refresh) the reader to the concept of multiple Earths coexisting in the same physical space by vibrating in different dimensions. This volume collects four different story lines (each encompassing two issues) involving the Earth-One Justice League of America (the most familiar DC stars such as Superman, Batman, and Wonder Woman) and the Earth-Two Justice Society of America (older heroes, some with Earth-One counterparts such as the Flash and Green Lantern, but some unique heroes such as Doctor Fate and Hourman), all from the mid-'60s and written by Gardner Fox with pencils by Mike Sekowsky. The best story introduces Earth-Three, where only criminals have the super powers. Bored with committing easy crimes, the Crime Syndicate of America--a band of supervillains with knockoff costumes and dumb names ("Power Ring," "Johnny Quick")--challenges the JLA and JSA to battle. The other stories involve the Crime Champions of Earth-One and -Two, Johnny Thunder's Thunderbolt, and Solomon Grundy and Blockbuster. For more crossover action, Crisis on Multiple Earths was followed by a volume 2. Alex Ross did the cover paintings for all three Crisis... books. --David Horiuchi Kurzbeschreibung The perfect companion piece to the CRISIS ON INFINITE EARTHS and HISTORY OF THE DC UNIVERSE trade paperbacks, this book features the classic tales of interaction between the heroes of Earth-One and Earth-Two.
