eigentlich ganz ok...Von moon... aber an manchen Stellen etwas langatmig und nicht Neues gegenüber anderen Bchern
dieser Art. Habs nur zur Hlfte gelesen, da es dann wirklich nicht mehr mich ansprach.

KurzbeschreibungIf you are reading this intro, then I take it that you have an interest in cruise ships. It could be you
want to work on a cruise ships, you want to or have taken a cruise, maybe you are looking for tips on cruising or
maybe you just like fun stories about cruise ships. If you are interested in any of those items I just listed, then this
book is for you.Before we begin our journey, I guess I should tell you a little bit about myself and why I have written
this book. For my cruise ship experience, I worked about 12 years on cruise ships around the world and 2 years
working in shore side offices in Florida. I worked with 4 different cruise lines and worked as a scuba instructor/dive
manager, shore excursion manager and then in the shore side offices as an IT geek, and finally a few years as an IT
officer (yeah, I know, scuba instructor to computer geek, what can I say, it has been an interesting journey).Stories in
this book include ones about:Getting a job on cruise shipsLife on board shipsOn board romanceHurricanesRunning
agroundAdrift at seaKick backsFalling overboardLiving on a tropical islandCrazy things the crew and passengers
doand much much more.....I also have photos about my life at sea that can be seen at:
