Von Daniel Harms : Cthulhu Mythos Encyclopedia (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cthulhu Mythos Encyclopedia (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen2 von 2 Kunden fanden die folgende Rezension hilfreich. Das NachschlagewerkVon Magister LudiWer etwas unterhaltsames lesen mchte, sollte bloss die Finger davon lassen. Dies ist wirklich "nur" ein trockenes Lexikon ber den Lovecraft-Mythos. Als Nachschlagewerk und zusammengefasster Wissensschatz ber den Cthulhu-Mythos ist dieses Buch ein Kleinod fr jeden Autor, der sich mit dem Mythos oder dem Cthulhu-Rollenspiel befasst. Gerade da sich die Geschichten des Mythos berschneiden und zum Teil widersprechen braucht man eine Basis wie diese, um eine saubere Story im Mythosrahmen zu entwerfen.3 von 3 Kunden fanden die folgende Rezension hilfreich. An invaluable resource for the Cthulhu MythosVon Jason DurallI write for several of the 'Call of Cthulhu' game lines (The Laundry RPG, World War Cthulhu, Achtung! Cthulhu, etc.) and use this book

frequently as a reference. I own a copy in the United States and overlooked it when packing to move to Berlin. In less than a week, I realized I needed a new copy. So now I own copies of this book on two continents, it's that essential. 1 von 1 Kunden fanden die folgende Rezension hilfreich. DAS Nachschlagwerk Von Tobi Jakob Gute Englischkenntnisse sind zwingend erforderlich, dafr erhlt man prgnant alle Infos rund um den Cthulhu-Mythos. Interessierte und auch vllig Unkundige knnen sich damit einen ausfhrlichen berblick verschaffen und einen leichten Einstieg in das umfangreiche Universum finden.

Kurzbeschreibung Arc Dream Publishing is proud to present the first-ever ebook edition of the legendary Cthulhu Mythos Encyclopedia by Dan Harms. "...some day the piecing together of dissociated knowledge will open up such terrifying vistas of reality, and of our frightful position therein, that we shall either go mad from the revelation or flee from the deadly light into the peace and safety of a new dark age." --H.P. Lovecraft, "The Call of Cthulhu" That day is here. The Cthulhu Mythos Encyclopedia explains every mind-blasting facet of the Cthulhu Mythos envisioned by H.P. Lovecraft and expanded by countless horror writers and gamers in the decades since the master's death. From "Abboth" to "Zylac," with in-depth stops along the way for the likes of "Azathoth" and "Yog-Sothoth," the Cthulhu Mythos Encyclopedia painstakingly pieces together dissociated knowledge of every last Thing Which Man Was Not Meant to Know. And now it's digital, with a comprehensive linked table of contents and the built-in searchability of e-readers. You will go mad from revelation faster than ever before.
