Von Gavin Anderson : Curious Chronicles from Sri Lanka (English Edition) before purchasing it in order to

gauge whether or not it would be worth my time, and all praised *Curious Chronicles from Sri Lanka* (English Edition):

Kurzbeschreibung "Curious Chronicles from Sri Lanka follows the 2012 travels and ponderings of Gavin Anderson as what begins as a quest to find blue whales and scientist Asha de Vos evolves into an exploration of Sri Lanka and its unfamiliar people. Anderson, an Englishman of an inquisitive nature, seeks and stumbles into unusual practices and enthusiastically attempts to make sense of the bewildering world around him. Sri Lanka proves to be a treasure of curious ideas, behaviours and discoveries which Anderson light-heartedly recounts with hilarious wit and captivating interest.
