**Von Aiden James : Curse of the Druids (Nick Caine Book 4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Curse of the Druids (Nick Caine Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Gute Adventure-StoryVon -KundeBei diesem Buch aus der Reihe ist es endlich gelungen, den Leser nicht einfach so ins kalte Wasser zu werfen, sondern auch ein bisschen zum Hintergrund des Artefakts zu erzhlen, so dass der Leser selber auch gerne dieses Objekt finden und es erleben mchte. Zwischen dem dritten und dem vierten Buch besteht ein kleiner Sprung, aber auch dieser ist schn aufgearbeitet, so dass man sich sehr gut in die Geschichte einfindet. Die Charaktere erhalten in diesem Buch weitere Tiefe, was sehr positiv ist und es dem Leser erleichtert, sich mit ihnen zu

identifizieren, was ich als sehr wichtig erachte. Auch die Beschreibungen der Schatzsuche sind viel genauer und besser gelst. Allerdings ist das Buch zu kurz, es endet damit, dass die Charaktere zu einem nchsten Ort reisen, was meines Erachtens nach noch gut hineingepasst htte. Ich war jedenfalls enttuscht, als es dort aufhrte. Aber, Mann, ich beginne wirklich, den Charakter Marie überhaupt nicht zu mgen. Sie ist niemand, dem ich vertrauen knnte, dabei verlangt sie stndig danach, dass die anderen Charaktere es tun. Whrend sie im ersten Buch nur eine Klientin und im zweiten Buch eine Affre ist, so hat sich seit dem dritten Buch eine Beziehung entwickelt, die Marie schamlos ausnutzt. Dabei ist sie keine Schatzjgerin an sich, sondern lediglich die Auftraggeberin, die sich mit auf die Suche begibt, dabei aber alles bestimmen will, nur die Hlfte erzht und Nick, der wahnsinnig in sie verliebt ist, immer wieder aufregt. Die Beziehung besteht also hauptsächlich daraus, dass Marie die drei in Gefahr bringt, Nick das verhindern will, sie dann zickig wird und er sie beruhigen muss. Das ist schon ziemlich nervig. Sie lgt, um dann den beiden Vorwrfe zu machen, um an ihr Ziel zu gelangen. Und Nick ist zu verliebt und Ishi zu blauaugig, als dass sie sie stehen lassen wrden. So bekommt sie ihren Willen und das Buch ist dazu verdammt, den nchsten Streit, die nchste Zickerei darzulegen, wobei Marie mir persnlich immer unsympathischer wurde. Sie ist ausserdem noch zu undurchsichtig - will sie wirklich nur das Andenken ihres Vaters ehren, oder ist sie doch goldgierig oder auch gierig nach Ruhm? Wer sich dennoch nicht von diesen Streitereien stren lsst, kann auf jeden Fall eine gute Adventure-Story erleben, die - abgesehen von den Streitereien - auch sehr unterhaltsam und rtselfhaft ist.

Kurzbeschreibung Long ago, before the myth of Merlin the Magician took root in the annals of time, a sacred amulet named after King Aurelius Ambrosius was said to bridge the mystical chasm between mankind and a race of gods and goddesses residing in the very heart of Britain....According to legend, the Ambrosius Amulet lays hidden amid the ruins of a predecessor to the inner circle of Stonehenge, known as Bluehenge. As luck would have it, a map leading to this sacred amulet has fallen into the hands of Nick Caine. Belonging to Nicks lovely cohort, Marie Da Vinci, her deceased fathers final wish was to lay claim to the priceless relic he spent much of his life looking for. His dream and now Maries quest is for her to locate and procure it for a prestigious museum in Los Angeles. But there is a problem. Yassir Ali has issued a death warrant for Nick, Marie, and Ishi, after they decided not to share the gold recovered from Sekhmets tomb in Egypt. Despite being chased across Europe by hired assassins, the lure of finding this rare amulet one long believed to be merely mythical proves impossible to resist. As Yassir Alis men close in for the kill, the beleaguered trio soon learns whether tempting fate to pursue a cursed item is worth it. Or, should they have left the Ambrosius Amulet alone? Acclaim for the novels of Aiden James: "The intense writing style of Aiden James kept my eyes glued to the story and the pages seemed to fly by at warp speed. ...Twists, turns, and surprises pop up at random times to keep the reader off balance. It all blends together to create one of the best stories I have read all year."--Detra Fitch, Huntress s for "The Devil's Paradise" "Aiden James has written a deeply psychological, gripping tale that keeps the readers hooked from page one."--Bookfinds review for "The Forgotten Eden" "Not only is Aiden James a storyteller par excellence, but his material for his story is riveting."--Huntress s for "The Forgotten Eden" "The hook to this excellent suspense thriller is the twists that will keep readers wondering what is going on as nothing is quite what it seems. Adding to the excitement is that the audience will wonder whether the terror is an evil supernatural creature or an amoral human...Aiden James provides a dark thriller that grips fans from the opening."--Harriet Klausner for "The Forgotten Eden" "Aiden James writing style flows very easily and I found that "Cades Cove" snowballed into a very gripping tale. Clearly the strengths in the piece were as the spirit's interaction became prevalent with the family... The Indian lore and ceremonies and the flashbacks to Allie Mae's (earthly) demise were very powerful. I think those aspects separated the work from what we've seen before in horror and ghost tales."--Evelyn Klebert, author of "A Ghost of a Chance" and "Dragonflies" "Aiden James has a keen eye for detail and an uncanny knack for scaring the hell out of me. We are watching a master at work. "The Raven Mocker" is a nearly perfect thriller. Ghost stories don't get any better than this."--J.R. Rain, Bestselling author of the "Vampire for Hire" series "As with the previous titles I have read by this author, I found the author's writing style to be silky smooth and the main plot line to be extremely creative. The fertile imagination of Aiden James definitely knows what today's readers want to see in their stories."--Detra Fitch, Huntress s for "The Vampires' Last Lover" Kurzbeschreibung Long ago, before the myth of Merlin the Magician took root in the annals of time, a sacred amulet named after King Aurelius Ambrosius was said to bridge the mystical chasm between mankind and a race of gods and goddesses residing in the very heart of Britain....According to legend, the Ambrosius Amulet lays hidden amid the ruins of a predecessor to the inner circle of Stonehenge, known as Bluehenge.
