Von Sotiris Bakanakis : CYCLADES: The portraits of the islands (Trips in the Aegean Sea) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised CYCLADES: The portraits of the islands (Trips in the Aegean Sea) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A Must-read!Von CustomerVery interesting ebook with all the information you need to go and enjoy the beautiful Cyclades! Easy and very enjoyable to read, a definitely must-read!0 von 0 Kunden fanden die folgende Rezension hilfreich. Very completeVon KundeVery interesting and complete, anyone who wants to travel to the Cyclades islands must have this e-book. Great and original.0 von 0 Kunden fanden die folgende Rezension hilfreich. DonGDBVon Doeringgreat book!! 100% recomendable!Now wanna go to Greece and live again the book descriptions and narrativ. A must read

book

Kurzbeschreibung Whether you're looking for information, travel guides, history facts, harbors and tips, this 360 pages eBook is a complete guide to the famous archipelago in the Aegean Sea. Nearly 2,300 pieces of land islands, rocky islets and solitary rocks in a sea area of 8,000 sq km. Twenty-four islands are inhabited consisting a whole, geographically, historically, culturally, and administratively, although each island has its own characteristics and history. The eBook is divided into three parts:- The first part contains information regarding the Aegean Sea and the Cyclades (geological genesis, morphology, products and economy, folk architecture and art, climate and winds). - The second part travels through the centuries to the history of the islands.- The third part contains the portrait of each island with all the elements that last over time (location, area, coastline, nearby islets, getting there, getting around, yachts mooring, history, sightseeing, beaches, hiking, feasts, local cuisine and products).
