Von Cyndi Lauper : Cyndi Lauper: A Memoir (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Cyndi Lauper: A Memoir (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Was fr ein tolles BuchVon psymmIch bin selten von einer Biografie so gefesselt worden. So ehrlich, so nachvollziehbar, so persnlich und gleichzeitig so zeitgeschichtlich. Nicht nur fr Cyndi Lauper Fans geeignet, da es ein echtes Zeitdokument ber ein Aufwachsen in New York in den 1960er Jahren ist, mit den Kmpfen der Generation, den

Zweifeln von Minderheiten und Frauen, dem Willen zur Selbstbestimmung und den vielen Rückschlägen. Das Buch ist lustig und traurig, es erklärt das seltsame Mädchen Cyndi Lauper und bleibt trotzdem ein Geheimnis. Sechs von fünf Punkten. Hoffentlich wird eine deutsche Übersetzung der witzigen und schonungslosen Sprache gerecht. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Unentbehrlich für Fans Von Gerard Siebert Cyndi gewährt uns einen intimen Blick in ihr Leben. Unglaublich was diese Frau alles erlebt hat. Sehr unterhaltsam, komisch und rührend. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Wunderbar Von berlina für alle Fans ein Muss! Genial ist auch die Fotoauswahl, teilweise auch zum Schmücheln...:-) Bin gespannt auf die deutsche Ausgabe.

Kurzbeschreibung Legendary singer, songwriter, actress, and activist Cyndi Lauper offers a personal account of the journey that led her to become an international superstar in this moving story of an American musical original (Kirkus s). Icon Cyndi Lauper offers a poignant account of the journey that led her to become an international superstar from her years growing up in Queens, New York, to the making of enduring hits like Time After Time, Girls Just Want to Have Fun, and True Colors, to becoming an actress, a mother, an outspoken activist, and maintaining a music career that has lasted more than thirty years. After leaving her childhood home at seventeen, Cyndi took on a series of jobs: racetrack hot walker, IHOP waitress, and, as she puts it, gal Friday the thirteenth, as she pursued her passion for music. She worked her way up playing small gigs and broke out in 1983 with Shes So Unusual, which earned her a Grammy for Best New Artist and made her the first female artist in history to have four top-five singles on a debut album. And while global fame wasn't always what she expected, she has remained focused on what matters most. Cyndi is a gutsy real-life heroine who has never been afraid to speak her mind and stick up for a cause whether it's women's rights, gay rights, or fighting against HIV/AIDS. With her trademark warmth and humor, Cyndi fearlessly writes of a life she's lived only on her own terms, perfect for fans of Patti Smith's Just Kids and Billy Idol's Dancing with Myself.

Pressestimmen "Lauper's story echoes the hopes of a struggling artist portrayed in Patti Smith's Just Kids. A moving story of an American musical original." Kirkus s
