An excellent guide to Czech grammarVon Alan HayThis book provides a very comprehensive explanation of Czech grammar and reveals many of its mysteries. I would recommend it to anyone who wants to get to grips with the Czech

language.

KurzbeschreibungCzech: An Essential Grammar is a practical reference guide to the core structures and features of modern Czech. Presenting a fresh and accessible description of the language, this engaging grammar uses clear, jargon-free explanations and sets out the complexities of Czech in short, readable sections. Suitable for either independent study or for students in schools, colleges, universities and adult classes of all types, key features include: * focus on the morphology and syntax of the language * clear explanations of grammatical terms * full use of authentic examples * detailed contents list and index for easy access to information. With an emphasis on the Czech that native speakers use today, Czech: An Essential Grammar will help students to read, speak and write the language with greater confidence.
