Von Jaime Aron, Roger Staubach : Dallas Cowboys: The Complete Illustrated History before purchasing it in order to gage whether or not it would be worth my time, and all praised Dallas Cowboys: The Complete Illustrated History:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Not great to read on the KINDLEVon an American in GermanyA really great book with lots of facts and lore for Cowboys Fans. However, you would be better off buying the actual book and NOT reading it on your Kindle. There are a lot of sidebars in the book and when it was put in KINDLE format, the sidebar information was mixed in with the regular text. So you are jumping all over the place... one minute you are reading about Danny White, and in the next paragraph it jumps back to a story about Clint Murchison, and then on the next page, back to the Danny White story and you are

really lost! A great book, just don't buy it in the KINDLE format.
