Dan Inosanto - The Man, the Teacher, the ArtistVon Christopher HerrmanI was very excited to see that a biography has been written about Guro Dan Inosanto. He has led (and continues to lead) a fascinating life and influences a great many people through his passion for the martial arts. This book is a pleasant read, serving as an overview to Guro

Dan's life-long journey in the martial arts. Much of the information in this book will be familiar to those who have read other interviews with Guro Dan. It's no surprise, there are no secrets. His hard work, dedication and humility are expounded upon throughout the book. It is well researched, with an extensive bibliography, and contains excerpts from interviews with Guro Dan and many of his students. One of the most interesting sections of the book, in my opinion, is the partial list of his many teachers. Overall, a good, light read for a Sunday afternoon. Respectfully, Chris H. student: EEMD, Boston (JKD/FMA) 0 von 0 Kunden fanden die folgende Rezension hilfreich. An excellent overview of an exceptional martial artist Von Rob Pugh This book is an excellent general biography of a great martial artist. It covers his life before and after Bruce Lee, touches on his progress since Lee's death and has some very interesting interviews and quotes. The book is a fine tribute to a humble, talented person and instructor.

Kurzbeschreibung This authorized biography of legendary martial artist Dan Inosanto details his relationship with Bruce Lee; his experience as an actor and stuntman; and his path in the martial arts. Get a detailed look at all his instructors, the many styles he has trained in and his own teaching experience, from Bruce Lee's original Chinatown school to Dan's "backyard school" to the Inosanto Academy of today. Kurzbeschreibung This authorized biography of legendary martial artist Dan Inosanto details his relationship with Bruce Lee; his experience as an actor and stuntman; and his path in the martial arts. Get a detailed look at all his instructors, the many styles he has trained in and his own teaching experience, from Bruce Lee's original Chinatown school to Dan's "backyard school" to the Inosanto Academy of today. Synopsis Here is the long-overdue authorized biography of legendary martial artist and instructor Dan Inosanto. Through extensive research, plus an impressive collection of new and old photos, author Perry Kelly tells the story of Dan Inosanto's life and work. In it, you'll find details of his childhood and the early days of his martial arts training, including the time he spent studying under Ed Parker; his relationship with Bruce Lee, including how the two met, what it was like to train and teach at the original Chinatown school and how Dan was affected by his friend and teacher's untimely death; Dan's experience as an actor and stuntman and how his technical innovations have improved the quality of cinematic fight scenes; his path in the martial arts, with a detailed look at all of his instructors, the myriad styles he has trained in and mastered and his own teaching experience, from the Chinatown school to his "backyard school" to the Inosanto Academy of today; plus his many contributions in areas outside the martial arts, from professional sports to law enforcement to elite military training. Also included are candid interviews with Dan and his daughter Diana Lee Inosanto. A fitting tribute to a man who has dedicated his life to the advancement of the martial arts, this book belongs in every martial artist's collection.
