Conversations With A Spirit AllyVon Stella CarrierDancing On A Stamp by Garnet Schulhauser is written by a retired lawyer living in Canada. This book tells of the conversations that he had with a mysterious looking stranger who gave him some very mystical and insightful information. The following is some of the information that is given:Souls can

choose to opt out of reincarnating back on earth at any time. They do not have to have previously graduated or achieve spiritual enlightenment when choosing to opt out of reincarnating and enjoying the love and happiness prevalent on the spirit side. It is important to try to listen to your intuition as much as possible due to the fact that the messages of intuition come from one's higher self (often during vital transitions in a man or woman's life). Shocking Information On Karma (pages 143-148) and The Law of Attraction (pages 165-168). There is much more profound information in Dancing On A Stamp, which is best for those who are seekers of spiritual truth. However, one must have an open mind because the details written are based on the author's communications with his spirit guide.

Kurzbeschreibung Garnet Schulhauser, a retired corporate lawyer, had an experience that changed his life. His Spirit Guide appeared in the guise of a homeless man, and revealed answers to "the big questions." This book describes that experience and reveals universal wisdom that will both delight and amaze New Thought readers. The spirit guide (Albert is his name) revealed information that is antithetical to everything that Christian holy men have preached for thousands of years and provides refreshing new insights into the journey of the soul. Some topics covered: Life Plans and Free Will, Overcoming Evil, Sex Taboos, Karma, The Illusion of Time, The Law of Attraction.
