book will stir your hunger for more of God. Von S. Dorothea God is surely a God who isn't religious at all. This book is one of the best books I ever read. Jill shows very practical that God is not a God who just wants to use us, but one who wants to partner with us and is really interested in what we like. He truly wants us to give us the desires of our hearts. This book will make your heart more hungry for God. Maybe it might be helpful for you to know that Heidi Baker also highly recommends this book.

Kurzbeschreibung Too often Christians drift from the creativity that is a vital part of everyday living. This can lead to discouragement in the valleys and shortsightedness on the mountaintops. Visionary and prophetic leader Jill Austin invites readers to take a closer look at the promises of destiny. No heart is truly fulfilled until it is awakened to Jesus's love and his call to save the lost. Dancing with Destiny helps readers discover their deepest dreams, follow the Holy Spirit to the heart of Jesus, and move in divine strategies. With inspiring personal examples and unusual insight into the lives of biblical dreamers, lovers, and warriors, Austin shows readers how to use their God-given creativity and authority to move in spiritual power.
