Von Daphne Du Maurier, Margaret Forster : Daphne Du Maurier before purchasing it in order to gage whether or not it would be worth my time, and all praised Daphne Du Maurier:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.
interessante GeschichteVon ElginDaphne du Maurier, was eine sehr interessante Persnlichkeit. Sie hat Weltruhm erlangt, durch die Verfilmung von, "Die Vgel" und "Rebecca". Ich fand dieses Buch sehr interessant, weil es nicht nur ihr Leben beschrieb, sondern auch wie es ist ein Schriftsteller zu sein, und Bcher zu schreiben auch als Beruf.Very

interesting book, not only describing the personality of Daphne du Maurier and her times, but also giving us a view of how it is to have the passion to write and the agony of writers block that accompanies this passion and how from this passion she also learned to her surprise she could also make quite a good living, a good example to follow your dreams.0 von 1 Kunden fanden die folgende Rezension hilfreich. RecommendedVon Nicola H.Well written, interesting, insightful. One gets a good picture of what it means to become a real, hard working author!2 von 17 Kunden fanden die folgende Rezension hilfreich. verstaubtVon Martina Vollmerkannte den titel von frher aus dem fernsehen... als buch langweilig, das mnner- und frauenbild schier gar nicht zu ertragen... weg damit, altpapier.

KurzbeschreibungRebecca, published in 1938, brought its author instant international acclaim, capturing the popular imagination with its haunting atmosphere of suspense and mystery. du Maurier was immediately established as the queen of the psychological thriller. But the more fame this and her other books encouraged, the more reclusive Daphne du Maurier became.Margaret Forster's award-winning biography could hardly be more worthy of its subject. Drawing on private letters and papers, and with the unflinching co-operation of Daphne du Maurier's family, Margaret Forster explores the secret drama of her life - the stifling relationship with her father, actor-manager Gerald du Maurier; her troubled marriage to war hero and royal aide, 'Boy' Browning; her wartime love affair; her passion for Cornwall and her deep friendships with the last of her father's actress loves, Gertrude Lawrence, and with an aristocratic American woman.Most significant of all, Margaret Forster ingeniously strips away the relaxed and charming facade to lay bare the true workings of a complex and emotional character whose passionate and often violent stories mirrored her own fantasy life more than anyone could ever have imagined.PressestimmenMargaret Forster can do no wrong. . . . The story is as gripping as Rebecca, as full of surprises as My Cousin Rachel. . . . affectionate, honest, unsentimental and perceptive.Daily MailWerbetextA meticulously researched bestseller; a masterpiece of biography and storytelling about one of Britain's best female authors. du Maurier's books were adapted into some of Hitchcock's most successful films, yet little is known about her private life. In this definitive book about the author of *The Birds* and *Rebecca*, readers are granted an insight into the life of a great, psychologically complex woman.
