Von St. John of the Cross : Dark Night of the Soul (Illustrated) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dark Night of the Soul (Illustrated) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. the masterpiece by the midnight mysticVon Craig Chalquist, PhD, author of TERRAPSYCHOLOGY and DEEP CALIFORNIASt. John was one of the first mystics I read who helped me see that an experiential relationship with the sacred isn't all joy; instead, it can hurt, stretch into periods of barrenness and shadows...which themselves to the patient penitent eventually stand revealed as the wordless Word itself, darkening the mind as bright light darkens the eyes. I

wish I could have met the author.2 von 2 Kunden fanden die folgende Rezension hilfreich. Finding the best editionVon Victoria KesslerI ordered the edition of Dark Night of the Soul listed on that was published by Kessinger Publications. The quality of the printing was very poor and there was absolutely no credit given to the translator. I will be returning it. I contacted a Carmelite monastery and they vouched for the credibility of the Peers translation listed on , but also recommended the Collected Works of St. John of the Cross translated by Kavanaugh (also available on). The collected works is only a few dollars more, so it is a good value. I haven't had the opportunity to read the book yet, so my rating simply reflects the others.2 von 2 Kunden fanden die folgende Rezension hilfreich. thought provoking in the deepest sense possibleVon pjz@aol.comthis book will take you on an exploration deep into the source of yourself to the not so joyfull aspect of the soul that we know all too well. its effects bring us beyond words to an understanding and sincere fondness for the necessity of knowing the other aspects of the soul, as we begin to embrace daily sadnesses and griefs as an enriching part of our life. if you are willing your soul will have the experience of a lifetime and your knowledge of self will climb to a new height. .

KurzbeschreibungThis e-book publication is unique which includes Illustrations.A new table of contents has been included by the publisher. This edition has been corrected for spelling and grammatical errors..deAs a Carmelite monk, the 16th-century Spanish mystic St. John of the Cross was well trained in the systematic theology of St. Thomas Aquinas. In Dark Night of the Soul, St. John's sharply organized mind gives clean shape to his mystical belief in a loving Being somewhere outside the realm of feeling, thought, or imagination, who can only be known through love. Dark Night of the Soul describes the process of purgation, first of senses, and then of spirit, that precedes the soul's loving Union with God. To quote from this book would detract from the coiled power of its tightly focused picture of the soul's progress; suffice it to say that there has never been a better book for discouraged Christians. When you cannot understand what or why you believe, but you find yourself unable to abandon faith, look to St. John for help. --Michael Joseph Gross.comAs a Carmelite monk, the 16th-century Spanish mystic St. John of the Cross was well trained in the systematic theology of St. Thomas Aquinas.
