KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich. "She totally kissed me back, dude!"Von Marcin SlezionaOder so hnlich, wenn ich das Zitat gerade aus meinem vergesslichen Kopf ziehe!Norman Osborn hat Deadpool den Auftrag von Nick Fury bei der Secret Invasion versaut, und das will er ihm heimzahlen und sich sein Geld holen. Der hetzt dann die Thunderbolts auf Deadpool, welcher sich

dann prompt in Black Widow verknallt!Wieder mal zum todlachen, verbunden mit einer actionreichen und klugen Story, mit einer Prise Sinnlosigkeit.

He was formerly the editor of 2000 AD. As a writer he channelled extraordinary vision and enthusiasm into the creation of "Lenny Zero" and "Snow/Tiger," both immediate fan-favourites. His first work for a US publisher was with the Sandman/Hellblazer spin-off series "Lady Constantine," after which he co-created "The Losers" to great critical success with his former "Lenny Zero" collaborator Jock, and was subsequently named as one of Entertainment Weekly magazine's "Breakout Stars of 2003." He has since written "Swamp Thing"; "Adam Strange"; "Silent Dragon" and the launch arc of "Batman Confidential." Jock is one of 2000 AD's finest young creators. As well as illustrating "Judge Dredd"; "Pulp Sci-Fi"; "Tharg the Mighty" and "Tor Cyan," Jock co-created "Lenny Zero" and "The Losers" with Andy Diggles, and is the concept artist of the re-booted 2011 "Judge Dredd" movie.Also features stories by writers John Wagner Alan Grant and artist Greg Staples.Daniel Way, M.D., began taking pictures at the age of eleven and had already developed a passion for the art long before beginning his career in family medicine for the Hudson Headwaters Health Network, which serves the entire southeastern Adirondacks.
