Von Anthony Browne : My Mum before purchasing it in order to gauge whether or not it would be worth my time, and all praised My Mum:

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. My students enjoyed this book very much. Von Ein Kunde Our class has discussed the book for a week, pointing out all the interesting things that are on each page. We just wanted to know a little something about the author and why he uses gorillas in his books. 0 von 0 Kunden fanden die folgende Rezension hilfreich. One superstitious little monkey Von Ein Kunde Willy is the ultimate boy, uuups, sorry, monkey that still lives in most of all. Full of insecurities, full of dreams, full of fears. Its very easy to relate to him, specially by every little child who at least once in his or her short life has felt left out. In Willy the Wizard, Willy isn't good enough to be a part of the soccer team, but more than that he is a superstitious little monkey who feels that if he doesn't follow his rituals, well, who knows?. Full of love, full of magic, with wonderful illustrations, the Willy series is a must have in every little child's library. 0 von 0 Kunden fanden die folgende Rezension hilfreich. The reader is kept in suspense until the book ends. Von Ein Kunde My son and I like this book a lot because it relates to something my son likes, soccer, and it's told in a language that a little kid can understand.

Willy is also in the predicament of not being able to have something that he really wants--something that we want our son to understand. What happens to Willy will delight you, and your child will want to reread this book a hundred times over. As for my son, we read this book every day at naptime and bedtime. We love it.

KurzbeschreibungShe's nice, my mum . . . My mum's a fantastic cook, and a brilliant juggler. She's a great painter, and the strongest woman in the world! She's really nice, my mum.
