Von Patricia Polacco : My Rotten Redheaded Older Brother before purchasing it in order to gage whether or not it would be worth my time, and all praised My Rotten Redheaded Older Brother:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. My Rotten Red-Headed Older BrotherVon blueandyellowI love this book! I think it is really good at the very end of the book when there are only black white photographs. And I also like when the older brother says he doesn't like rhubarb but he really does. I like it when the older brother is nice to his sister in the end.0 von 0 Kunden fanden die folgende Rezension hilfreich. One of Patricia Polacco's best booksVon Ein KundeMy daughter is a Patricia Polacco fan. She has read almost all the books Patricia Polacco has ever written. Rotten Red-Headed Older Brother is one of her favorites. Everyone can relate to a mean older sibling. Best of all, the book is based on the author's real brother.0 von 0 Kunden fanden die folgende Rezension hilfreich. It's a great book!Von Ein KundeI think it's a great book for children.

It was about Patrica Polacco's rotten red headed older brother Ritchie. I liked it!

Kurzbeschreibung There's nothing worse than a rotten redheaded older brother who can do everything you can do better! Patricia's brother Richard could run the fastest, climb the highest, and spit the farthest and still smile his extra-rotten, greeny-toothed, weasel-eyed grin. But when little Patricia wishes on a shooting star that she could do something -- anything -- to show him up, she finds out just what wishes -- and rotten redheaded older brothers -- can really do. From Publishers Weekly A girl burdened with a bratty big brother tries to do something, anything, better than he can. "The text rings true with the authentic battling words of childhood spats," said PW. Ages 4-8. Copyright 1998 Reed Business Information, Inc. From Booklist Ages 5-8. Polacco's story of her childhood rivalry with her brother Richard harks back to growing up with grandparents in Union City, Michigan, and catches competition at gut level. Her grandmother, Bubbie, whom readers will recognize from other Polacco books, doesn't seem to know how rotten Richard is. Polacco conveys the passionate intensity of conflict--trying to pick more berries, eat more rhubarb, and stay on the merry-go-round longer--as well as the abiding love beneath it. The figures of the children are intense and full of motion, and the facial expressions are beautifully accomplished. Surrounding it all are Babushka-clad Bubbie's comforting love and warm hugs.
