Kurzbeschreibung Quiet, cautious Pearl has always adored her bold, brash, bad big sister Jodie. When their parents get new jobs at a grand, fusty old boarding school, Melchester College, the girls have to move there - and when they arrive, things start to change. Jodie has always been the leader - but now it's Pearl who's making new friends. Jodie just seems to be getting into more and more trouble - arguing with Mum, scaring the little children, flirting with the gardener. She really doesn't fit in with the posh teenagers at the school. Pearl begins to wonder if she needs Jodie as much as she used to. But when Firework Night comes around and a tragic event occurs, Pearl realises quite how much Jodie means to her.

A unputdownable read" (Primary Times) "This is another winning formula from this former children's laureate" (Jayne Howarth Birmingham Post) "A beautifully told and moving story of sisters, friendship and teenage rebellion" (Mid Devon Advertiser)
