Typical Terry DarlingtonVon Miss A R HaythornthwaiteI've read Narrow Dog to Carcassone and Narrow Dog to Indian River and loved them both, I was not disappointed by Narrow Dog to Wigan Pier. I like Terry's style of writing and Jim the Wippet of course! It's a bit different from the other two as it tells not only of his current trip but also the story of his

life. I found it a bit strange at first, always chopping and changing between the present and the past but once I got used to it I really enjoyed it. He's led a very interesting life! If you like the Narrow Dog series, you'll like this.

Kurzbeschreibung At seventy-five, Terry and Monica Darlington had done everything they could think of doing, including starting a business and becoming athletes and running a literary society. Lately they had become boating adventurers and Terry a bestselling writer. But in their Midlands canal town in November, life was looking dull and short on surprises. Then their famous canal boat was destroyed by fire. Within a few days they had bought a new one and soon headed north in the Phyllis May 2 to Liverpool, Lancaster, the Pennines and Wigan Pier. Terry recorded the journey, and alongside it the story of his life and his marriage and his dog Jim, with his broken ear like a flat cap, and Monica's dog Jess, known with heartbreaking reason as the Flying Catastrophe. Funny, affecting and beautifully told, this is a story that brims with incident and excitement, and is full of the famous and fascinating people the Darlings have met - a story of an adventurous life well lived. Pressestimmen "Big-hearted, ribald and rambunctious fun" (SAGA magazine) "Big-hearted, ribald and rambunctious fun" (Saga Magazine) "full of humour...I wholeheartedly recommend this gentle tale of two pensioners and their adventures as it's great fun."
