Einzigartige Grafik und tolle GeschichteVon AiKjuIch habe zuerst das Buch "Neverwhere" von Neil Gaiman gelesen, weil ich irgendwo in einer Buchhandlung ;-) auf das Buch gestoen bin. Da mir das Buch (im Original) sehr gefallen hat, habe ich ber "Neverwhere" weitere Informationen gesucht und bin auf die BBC-Serie (6 Folgen - das Drehbuch

stand wohl am Anfang) und das Comic (Grafic Novel) gestoen. Whrend die 90er-Jahre-Serie technisch etwas in die Jahre gekommen ist, war ich von der Grafic Novel vllig berzeugt. Sehr knstlerisch gezeichnet und mit Neil Gaiman einem groartigen Autor.0 von 1 Kunden fanden die folgende Rezension hilfreich. Brilliant adaptationVon Christian RaloffAs a big fan of Gaiman's work - novels, short stories, Sandman comics - I can only highly recommend this product. The illustrations are very well done and lend a certain extravagance to the characters as well as the London Below. The text adaptation and illustrations also do not cut the original story unnecessarily short and keep in line with the main story (for story summaries and reviews please see reviews of Gaiman's novel "Neverwhere"). Even after having read the original novel, this adaptation was still worth its money. The characters and settings seem to have been invented by the artist with the greatest of respect to the ideas in the original novel. It is a good read for people who are new to Gaiman as well as for those who are already acquainted with his work, even - or perhaps especially those - who have already read and reread Neverwhere several times.0 von 1 Kunden fanden die folgende Rezension hilfreich. graphic novels...Von Katharina Gerlach (Indie Autorin)...have always been Neil Gaiman's strongest side. I enjoyed this truncated version of one of his best stories (imho), although I was a tad sorry to see the sub-story of the rat people was missing.
