KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. A very touching devotional bookVon Keith PetersThis book is based on a series of J.I. Packer sermons showing how God has used imperfect people such as Jacob, Samson, Manoah and others. In it's brief, simple and moving way, Packer's words also give the rest of us hope to continue with life's struggles. Easy to read and perfect for end of the day thought and reflection, I recommend it highly.

**Kurzbeschreibung** If you get discouraged by your spiritual failures, you're not alone. In fact, you're in pretty good company. Through God's power, their points of weakness became their greatest strengths. In *Never Beyond Hope* J. I. Packer offers his pastoral wisdom, exploring the stories of eight imperfect people portrayed in the Bible. Packer shows you how their struggles and triumphs relate to your own experiences and highlights how God works despite your mistakes. Packer also teams up with expert Bible study writer Carolyn Nystrom, who helps you process and apply what you are learning in each chapter with study questions for personal reflection or group discussion, prayer suggestions and journaling ideas. **Pressestimmen** "We recommend *Never Beyond Hope* to you. Use it for your own personal devotions. And use it in a small group, so that the grace of which it speaks can ripple out into the community of God's people."--**Critique** "In classic Packer style, this book opens the pages of Scripture and sheds new, refreshing light on well-known stories and some not-so-well-known characters. . . . Insightful, witty, and very wise Bible teaching."--**Youthworker** "[T]his book takes the aphorism 'While there's life, there's hope' and reverses it to 'Only while there's hope is there life.' . . . [E]ntertaining and effective . . . always readable."--**Publishers**
